

# Calne Against Climate Change

## Meeting 19<sup>th</sup> June 2019 Lansdowne Hotel

Here are the Working Groups we agreed at last week's meeting:

Energy and setting up a company	Fiona Campbell
Local Business, shops, etc. and transport	Denis Griffin
Education to include Secondary/Primary/College	David Songhurst & Stan Woods
Exploring other groups eg Greenpeace and letter writing	Margaret Ashton & Dona ??
Farming and plant producers	Peter Campion & Maureen ??
Housing, Planning and ending plastic bags	John Boaler
Media, events and exploring ways of measuring carbon footprint	Tom Morris

I guess we will all have our own way of progressing these areas and be ready to give some feedback at our next meeting on the 23<sup>rd</sup> July at the Baptist Church, Calne.

Clearly things are developing quickly and we need to keep everyone up to speed by sharing information.

Great start to our campaign and we need to bring more people on board, especially the younger members of Calne community.
